Important events to be reported: Announcement regarding the implementation of a bond issuance program, including the possibility of issuing Sustainability Linked Bonds, the publication of the Sustainability Strategy for 2025-2030, the Sustainability-Linked Bond Framework and the Second-Party Opinion.

Autonom Services SA (“Autonom”) informs all interested parties about the intention to implement, in the near future, a bond offering program, including the possibility to issue Sustainability Linked Bonds. The funds obtained as a result of the issuance of Sustainability Linked Bonds are intended for business general purpose. This will allow us to meet our Sustainability Performance Targets (“SPTs”) and to contribute to the development of the sustainable capital market in Romania.

Autonom also informs about the publication of its Sustainability Strategy for medium (2025) and long term (2030).

Autonom wants to support best practices in the field. Therefore, in line with the ICMA principles on Sustainability Linked Bonds, Autonom has formulated and publishes together with the Sustainability Strategy (“SLBP”):

- Sustainability-Linked Bond Framework (“SLBs Framework”), which undertakes in the context of issuing Sustainability Linked Bonds, to obtain specific results, considered material, essential and significant for the activity it carries out, in an ambitious time horizon;

- Second-Party Opinion (“SPO”), issued by Sustainalytics, a consultant with recognized environmental and social expertise, confirming the alignment of the Sustainability-Linked Bond Framework with the ICMA Principles on Sustainability Linked Bonds.

The Sustainability Strategy (“Sustainability Strategy”), the Sustainability-Linked Bond Framework (“SLBs Framework”) and the Second-Party Opinion (“SPO”) are available in the dedicated section of its website:

- www.autonom.ro/sustenabilitate for the Romanian version;
- www.autonom.com/sustainability for the English version.
